**Moving in the Spirit** is a non-profit youth development program that integrates high quality dance instruction with performance, leadership and mentor opportunities for young people in Atlanta, Georgia. Our programs educate, inspire and unite young people through dance, in order to help them become compassionate leaders.

**The Holiday Store** is an essential part of our Youth Development Programs at Moving in the Spirit. Over 200 children work hard all year long to earn points by showing responsibility, discipline, and dedication. At the Holiday Store, students redeem their hard-earned points to "buy" gifts for their family members and loved ones.
